Sir,

With reference to Proceedings of Government and order thereon No 1077-84 E.F.94-95 dated 31st March 1897, I have the honor to state that the figures entered in the statement therein given are correct and the reason for the difference of Rs 9/- between the statement and the statement as sanctioned in the Proceedings of Government referred to is on account of a Compounder who was to be promoted from Rs 8/- to Rs 15/- having ceased to be a Compounder and a new man entertained on Rs 8/-, and of the two Compounders on Rs 10/- each, only one man was recommended for the increase of Rs 2/- while the other was allowed to remain on Rs 8/- only as he did not know English and was not a capable man. These Causes account for the difference in Numbers and the amount of their pay.

RDno 1300

In the letter read above, the Senior Surgeon explains that the difference of Rs 9 observed in Govt. order No 10772-4 / 27 94-95 of 31-3-97 between the increases proposed by the President of the D. & B. Shimoga & those sanctioned in Govt Pro. No. 13250-1 / mis/962 of 18th June 1896, was due to the fact that a Compounder on Rs 8 who was to be promoted to Rs 15 was displaced by an Apprentice on Rs 8; that a Compounder on Rs 8 was entitled to promotion to Rs 10 but was withheld from promotion as he was not qualified to get it. The explanation is accepted and under the circumstances the Govt are pleased to sanction the promotion of Rs 2-6-4 vice [illegible] which was provisionally
